

MONTANA CATFISH ASSOCIATION

The Montana Catfish Association was established in the spring of 2006. Our main objective is to promote the sport of catfishing and specifically catfish in the great state of Montana and the region.

Our mission is to: increase communication among catfish anglers, educate, improve and increase public access for all warm water fish. We will continue to work closely with Montana Fish Wildlife & Parks to further expand and maintain catfish ecosystems and habitat. Montana Cats fully promotes and encourages selective harvest and Catch Photograph Release on all big catfish.

Catfishing is a rapidly growing sport. Tackle, rod, reel and boat manufacturers can no longer ignore the Catfish angler. There are numerous professional/amateur Catfish tournaments held across the country. Montana Cats encourages everyone interested to compete in these tournaments. Catfish tournaments have added legitimacy to our sport as well as an increased knowledge of Catfish behavior and tendencies. We currently offer a four tournament Montana Cats championship circuit.

These tournaments and others around the state help us meet those objectives through increasing angler awareness and exposing people throughout the state, region and host communities on pertinent issues facing the Channel Catfish. All of our tournaments are OVER 100% payback. That means 100% CASH payback from entries and thousands of dollars in additional prizes. We're in it for the fishermen, communities and Channel Catfish. Welcome to the group!

2022 MONSTER CAT ROUNDUP RULES

Boundaries: The boundaries are from the State line to INTAKE DAM. All fishing accesses in between are legal to fish. If fishing on private property you must get permission from land owner before fishing.

Limits: The limit is five catfish per team. The total weight of all your catfish will determine who wins the tournament. (For example: Team #1 catches two catfish weighing a total of 8 lbs. And Team #2 catches their limit of five cats weighing 7 lbs. Team #1 has more weight even though they failed to catch their limit.) If a team is in possession of more than five catfish during the tournament or at the weigh in station they will be disqualified.

Catch and Release: All of the catfish caught during the tournament hours will be released back into the Yellowstone River the day of the tournament. NO STRINGERS will be allowed during tournament! Teams must have proper fish containers and aeration to ensure health of the fish.

Weigh-In: Will begin at the weigh in station at exactly 3:00. If you have not arrived you will be disqualified. Fish MUST be alive! All dead fish will be discarded and not weighed. The Six-person tournament committee will determine whether a fish has been tampered with, altered in anyway, or caught on a setline and will disqualify them if needed.

Fishing Hours: Contestants can only fish during tournament hours. Pre-fishing is allowed up until Friday July 15th at 6:00 p.m. Tournament hours are 7:00 a.m. to 3:00 p.m.

Bait: Any LEGAL bait is allowed during tournament hours.

Ties: The following will be used to break ties. Regular tournament will be awarded to the team that caught their limit of five catfish, if both teams caught their limit, it will than be awarded to the team with the heaviest catfish. Big fish contest will be split between the two winners if the weight of the catfish is the same.

Prizes and Awards: This is a 100% payback event. If less than 60 teams are entered, prizes will be reduced proportionally. Based on 60 teams, prizes will be awarded as listed on the front of this application. Must be present to win door prizes. (Weigh in meeting)

State and Local Ordinances: All state and/or local ordinances will be enforced. Violations will result in disqualification.

Identification: Team ID must be worn and visible at all times.

Every team that is fishing from a boat must have their vessel at the Sidney Bridge. All boats must be accounted for and absolutely no boats are to be allowed in the water at another location prior to release.

Patrols and Officials: The tournament officials and security guards will consist of six individuals. At the weigh in station these individuals will be in charge of weighing in the fish, recording the weights, interviewing, etc. These individuals will have the right to check your catch amount and approximate weight. They may also count rods and check for any illegal fishing tactics. The tournament officials decision on illegal tactics is FINAL. If it is determined by tournament officials/committee to be in violation of above rules/regs. This could result in lifetime ban of ALL future Montana Cats events.
